**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I want local competitive broadband providers in my community. I currently have competitive DSL and telephone service. Local, competitive broadband service is critical in a democracy. I am awaiting fiber from a local competitive provider that already provides my DSL service. Competition keeps interest and telephone services under control without periodic price hikes.
